

People Advantage

People Advantage is People Corporation's preferred provider network, an exclusive program that offers cost savings and value-adds to help you save money.

What's available

People Advantage offers you and your dependants savings on prescription drugs, eye wear, and other valuable perks.

Pharmacy

Benefit from our partnerships with select pharmacies through reduced dispensing fees* and markups*.

Vision care

Enjoy savings on prescription and non-prescription glasses, contact lenses and more.

Retail shopping

Our arrangements get you preferred pricing on wellness and health care products, and more.

Child-focused speech therapy

Enjoy a reduced rate on speech therapy for children.

*Not applicable in Quebec due to provincial regulations or for individuals who have coverage through Alberta Blue Cross.

Pharmacy

Prescription drug

Present your drug card to automatically receive preferred pricing. Enjoy reduced dispensing fees* and drug markups* at the following locations:

To get preferred pricing at Metro and Food Basics, provide your Metro Ontario Pharmacies Ltd. drug card available for download from People Corporation's plan member site.

Prescriptions by mail

Enjoy reduced dispensing fees* and drug markups* when you order online. Delivery is free and depending on your location, most prescriptions can be delivered within 24 hours.

Brand-name drugs

Most drug plans limit reimbursement for brand-name drugs to the cost of the generic equivalent. If you require the brand-name version of a drug, we provide access to programs that may be able to help you get partial or complete coverage.

Review the information on each site to determine which program best supports your needs:
